ARTS

The Fruits of Our Labor

By Cynthia Howe

photos from Frisco STYLE archives

FROM THE BEGINNING, nearly 14 years ago, *Frisco STYLE Magazine* has captured the heart and lifestyle of our community both editorially and photographically. We have been fortunate to participate in a number of significant events and have marveled and enjoyed being able to present our readers with current as well as timeless information.

Over the years we have been privileged to access people, places and events allowing us to preserve each photographically and share the images with our readers. With the addition of a full-time staff photographer, we have expanded those capabilities to create photographic artwork that is concise and effective beyond mere words.

As a result of the talented and award-winning eye of Chris Fritchie, *Frisco STYLE* receives regular requests for portraiture, weddings and commercial photography. We are now pleased to be able to offer all of Frisco the artistry of our photography services.

These pages celebrate the life and times of Frisco through *Frisco STYLE Magazine's* archive of photography.
