# Holiday Table Tops

**THANKSGIVING AND CHRISTMAS BRING FAMILIES TOGETHER** around the table to celebrate the gifts of the season. We are fortunate to have Elaine Williamson from Bella Cosa sharing three tabletop design ideas to help your family celebrate in style.

This Thanksgiving table is elegant with a mix of shimmer and nature. And keeping the Thanksgiving theme, in the framed place card is the touching sentiment, "Daddy, I am thankful for your kindness."

Rudolph appeals to the kid in all of us. Take a walk down memory lane on this table through the Gingerbread Palace and Candyland but watch out for the Abominable Snowman! Young diners will be confident at the table having viewed the original "Rudolph the Red-Nosed Reindeer" program as a family. The chalkboard placemat will also keep their interest.

Bring the glamour, sparkle and elegance to the Christmas table. Rich looking floral centerpieces are in vogue now and the added interest and texture of fruit and crystal make this a special occasion look.
